

**Teacher Proposal for
NWBW Holiday Basket Day at The Depot
Anacortes, WA - December 4, 2010**

The Guild is again sponsoring a Regional Basket Day on Saturday, December 4th. The event will have a holiday theme, and will be held at The Depot in Anacortes, in conjunction with our Guild show that opens there on December 3rd. The event offers an opportunity for the Guild to provide learning opportunities to both our members in outlying areas and the general public. Classes are sponsored by the Guild, students pay only the materials fee. We will have some hands on/drop in classes for the public as a part of this event, as well as some more structured classes.

Teachers & members – we are now accepting class proposals. (Although first preference is given to Guild Members, you do not have to be a member of the Guild to propose a class.) For this event, would like to have the projects be baskets or basketry jewelry (think holiday gifts), or suitable to use as ornaments. **Please note** that for this event all classes will be in one large room with demonstrations in another area of the building. If you have allergy problems with certain materials, we can't guarantee that you won't be exposed to them.

Classes can be either short (1½, 2, 3 or 4 hours), or a full day (up to 6 hours). If you would like to offer a class on a drop in basis, please indicate that on your proposal. You may propose classes for either or both events. **The deadline for class proposals is: September 15, 2010**

Use the form below, or make a copy to submit class proposals. Proposals will be accepted by mail or e-mail. Questions? Contact: Kay Ogren, 360-293-5507, ko@wavecable.com, or Mary Irvine, 206-419-8527 or email ime@qwestoffice.net

HOLIDAY BASKET DAY CLASS PROPOSAL

Due by 9/15/10
